## STUDENT WELLBEING AND ENGAGEMENT POLICY

### PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Narrawong District Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

### SCOPE

This policy applies to all school activities, including camps and excursions.

### POLICY

#### 1. Background

The core purpose of Narrawong District Primary School is to provide an inclusive and rigorous environment that challenges and engages young people to grow as passionate learners. Our whole school agreed values are respect, kindness, and responsibility. All students are provided with rich opportunities to thrive. Each individual's academic, social, emotional, and physical needs are carefully catered for. Engaging our students in their own learning is a key factor in teacher planning. Strategic measures are positioned to ensure all students are achieving their full potential.

Our motto, Working Together to Succeed, ensures we are all heading in the same direction as a learning community.

#### 2. School values, philosophy and vision

Our Vision is to provide students with rich learning experiences, which enable them to develop skills and understanding in a supportive learning community. We aim to provide a supportive, coordinated and consistent approach to the education and wellbeing of the students in our school community.

At Narrawong District Primary School we have diversity within our student and parent cohort. Different learning abilities, different aspirations and different educational passions across academic and non-academic subjects. However, there are common underpinning expectations from all stakeholders.

Connectedness to peers, school and wider community is vitally important for every individual's wellbeing. Narrawong District Primary School supports and encourages relationship building through our Respectful Relationships, chosen commercial programs the involvement in community projects and the raising of student voice within our school.

In our multi-age classrooms, teachers cater for individual needs by differentiation of the curriculum, fluidity of students between classrooms, intervention programs and the employment of support staff when necessary.

### 3. Engagement strategies

*Narrawong District Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.*

*A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:*

#### Universal

- *high and consistent expectations of all staff, students and parents and carers*
- *prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing*
- *creating a culture that is inclusive, engaging and supportive*
- *welcoming all parents/carers and being responsive to them as partners in learning*
- *analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data*
- *teachers at Narrawong District Primary School use a Science of Learning instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons*
- *teachers at Narrawong District Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching*
- *our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community*
- *carefully planned transition programs to support students moving into different stages of their schooling*
- *positive behaviour and student achievement is acknowledged in the classroom, in school assemblies and through communication to parents*
- *monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level*
- *students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council. Students are also encouraged to speak with their teachers and principal whenever they have any questions or concerns.*
- *create opportunities for cross—age connections amongst students through school plays, athletics, music programs and peer support programs*
- *All students are welcome to self-refer to the School Chaplain or Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' approach where students and staff are partners in learning*
- *we engage in school wide positive behaviour support with our staff and students, which includes programs such as:*
  - *Respectful Relationships*

- *The Resilience Project*
- *programs, incursions and excursions developed to address issue specific behaviour (i.e. positive friendships, anger management programs)*
- *opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)*
- *buddy programs*

#### Targeted

- *each classroom teacher is responsible to monitor the health and wellbeing of students in their class, and act as a point of contact for students who may need additional support*
- *connect all Koorie students with a Koorie Engagement Support Officer*
- *all students in Out of Home Care will be appointed a Learning Mentor, have an Individual Learning Plan and a Student Support Group (SSG) and if required will be referred to Student Support Services for an Educational Needs Assessment*
- *wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year*
- *staff will apply a trauma-informed approach to working with students who have experienced trauma*

  - *and with other complex needs that require ongoing support and monitoring.*

#### 4. Identifying students in need of support

*Narrawong District Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Narrawong District Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:*

- *personal, health and learning information gathered upon enrolment and while the student is enrolled*
- *attendance records*
- *academic performance*
- *observations by school staff such as changes in engagement, behaviour, self-care, social connectedness, use of “Space Bench” and “Buddy bench” and motivation*
- *attendance, detention and suspension data*
- *engagement with families*
- *self-referrals or referrals from peers*

#### 5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school’s Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

#### 6. Student behavioural expectations and management

*Behavioural expectations of students, staff and families are grounded in our school’s Statement of Values. Student bullying behaviour will be responded to consistently with Narrawong District Primary School’s Bullying Policy and Code of Conduct.*

*When a student acts in breach of the behaviour standards of our school community, Narrawong District Primary School will institute a staged response, consistent with the Department’s Student Engagement and Inclusion Guidelines and Behaviour policy. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.*

*Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.*

*Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.*

*Disciplinary measures that may be applied include:*

- *warning a student that their behaviour is inappropriate*
- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *referral to the Principal*
- *restorative practices*
- *detentions*
- *behaviour support and intervention meetings*
- *suspension*
- *expulsion*

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Narrawong District Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited in our school and will not be used in any circumstance.

## 7. Engaging with families

Narrawong District Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Code of Conduct
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups and developing individual plans for students.

## 8. Evaluation

Narrawong District Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21, including attendance and absence data
- SOCS

Narrawong District Primary School will also regularly monitor available data dashboards to ensure any wellbeing or engagement issues are acted upon in a timely manner and any intervention occurs as soon as possible.

## COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Included in staff induction processes
- Included in transition and enrolment packs
- Included as annual reference in school newsletter
- Made available in hard copy from school administration upon request

Our school will also ensure it follows the mandatory parent/carer notification requirements with respect to suspensions and expulsions outlined in the Department's policies at:
